FACT SHEET

TOURIGA NACIONAL 2021

CIMA CORGO

CONCEPT: Maçanita Vinhos is a brother and sister project! Both winemakers who aim to explore the Douro's terroir to the fullest.

The sub-region of Cima Corgo, which distinguishes itself from the others by presenting a cooler continental climate, gave origin to this single blend Touriga Nacional. The result is a more jovial, floral and fresher Touriga Nacional than generally found in the other Douro sub-regions. We challenge you and hope you enjoy, as much as we do, tasting it side by side with our other Touriga Nacional from the Douro Superior sub-region!

DENOMINATION: DOC - Douro.

TASTING NOTES: Intense violet-ruby colour. Very fresh in the mouth with a strong fruit expression, making this wine pretty lickerish with another maturation level. Unoaked which allows us to taste this grape, raw like we've never seen it before.

PRODUCTION: 3.775 bottles in May 2023.

ALCOHOL: 14,5%

STORAGE AND SERVICE: Store at 12°C and serve at 16°C.

WINE PAIRING: Goes well with white and red meat dishes with both traditional and modern cuisine.

ANALYSES: Sulphites: 50<SO2<70 mg/L (biologic/organic standards<150 mg/L) (demeter standards<90 mg/L).

WINEMAKERS: Joana Maçanita and António Maçanita.
